5 things to tell a child

who engaged in concerning sexual behaviour

We believe this happened and someone got hurt because private part touching rules were broken

You are loved and a part of this family

There will be no secrets

You can change the way you behave so everyone is safe

We will get through this together & have a safer, strong, comfortable family

5 things to tell a child

who was exposed to a concerning sexual behaviour

I believe you

It's not your fault

I'm glad you told *or*
I'm glad I know now

I'm sorry this happened to you

We will get through this together
