

# 5 THINGS TO SAY TO OTHERS

*When your child has engaged in concerning sexual behaviour*

Keep eyes AND ears on - we need some serious supervision right now!

1

In our family, we live by the "No Secrets" rule! We're all ears for any news, good or bad, so we can tackle it together. Please don't hold back - let us know about any concerns ASAP!

2

We are showing our children how to be together safely and with respect for one another, and we expect anyone who is in our home to do the same

3

We're focused on creating a safe space for everyone to live peacefully. In our family, there's always room for each and every one of our kids

4

We are grateful for your support during this challenging time as caregivers
