

# Sexual Behaviour Rules

## PRIVATE PARTS ARE PRIVATE & SPECIAL

It is NOT ok to show your private parts to other people

It is NOT ok to look at other people's private parts

It is NOT ok to touch other people's private parts

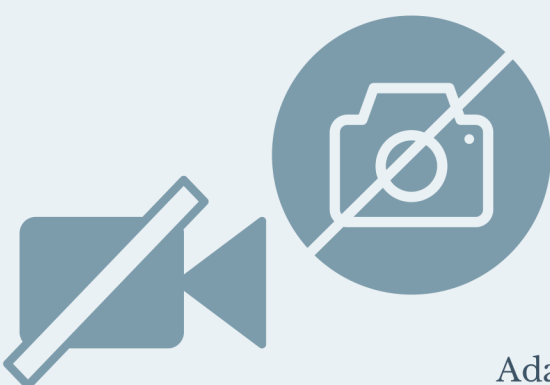

No one can touch or look at your private parts

*EXCEPTION: When a doctor or caregiver steps in to make sure you are healthy and it's not kept secret*

It is OK to touch your private parts as long as it is in private and doesn't take too much time

It is NOT ok to use sexual language or make others uncomfortable with your sexual behaviour

It is NOT ok to take, send, or upload pictures or videos of yours or other's private parts
